Pawpaw Sweet Bread

Ham & Pawpaw Spread
w/crackers

What's a pawpaw? It's the largest fruit native to North America and we have them right here in North Carolina! Join us to learn more about this flavorful fruit that was a favorite of George Washington and Thomas Jefferson. We will have presentations and informational leaflets about growing and using pawpaw and pawpaw nutrition plus there will be lots of **FREE** pawpaw dishes for you to sample and see for yourself just how great the pawpaw is!

For accommodations for persons with disabilities, please contact our office at 336-703-2850 no later than five days before the event.

Presented jointly by Forsyth County Cooperative
Extension Service, MKT Real Estate Group,
Master Gardener Volunteers and
local pawpaw growers.

North Carolina State University and North Carolina A&T State University commit themselves to positive action to secure equal opportunity regardless of race, color, creed, national origin, religion, sex, age, veteran status, or disability. In addition, the two Universities welcome all persons without regard to sexual orientation. North Carolina State University, North Carolina A&T State University, U.S. Department of Agriculture, and local governments cooperating.
