Re: Certificate of Entry in the National Register of Historic Places
Memorial Industrial School, Rural Hall vicinity, Forsyth County
Listed: August 12, 2015

Dear Mr. Watts:

I am pleased to inform you that the above-referenced property has been entered in the National Register of Historic Places. An official certificate of listing is enclosed. Also enclosed for your information is a copy of the nomination. You are most fortunate to own and preserve a property that justly deserves this honor.

The National Register has been called "a roll call of the tangible reminders of the history of the United States." It is, therefore, a pleasure for the Office of Archives and History to participate in this program and thereby make our nation aware of North Carolina's rich cultural heritage.

In order that we may keep our records up to date, it would be very helpful if you would notify us of any changes in ownership or of any major alteration of the property, including moving, destruction, remodeling, or restoration. We appreciate your cooperation in preserving the best of our past for posterity.

Sincerely,

A handwritten signature in cursive script that reads "Kevin Cherry".
