

Community Members, Groups & Organizations
Children in our community need your help in making the grade this school year!

Did you know?

In our community, over 10% of children are raised by grandparents or other relatives.

**Social Service's Relatives as Parents Program,
"RAPP" seeks donations of gift cards and
other school supplies for children living with relatives.**

Who are some relative caregivers in our community?

- A grandmother (age 70) & grandfather (age 73) raising their five year old grand daughter
- A sister, age 38, who is raising three younger siblings
- A great aunt, age 62, raising her nine year old great-grandson
- A grandmother (age 80) & grandfather (age 84) raising their eleven year old grandson
- An aunt, age 34, raising her two year old nephew and her nine year old grandson

Help us reach beyond the 200 children we sponsored last year.
