

## Community Members, Groups & Organizations

Children in our community need your help in making the grade this school year!

**Did you know?**

In our community, over 10% of children are raised by grandparents or other relatives.

Social Service's Relatives as Parents Program, "RAPP" seeks donations of gift cards and other school supplies for children living with relatives.

***It takes a village to raise a child!***

Where some relative caregivers in our community?

- A grandmother (age 68) & grandfather (age 65) raising their five year old grand daughter
- A sister, (age 26) raising her 12 year old sibling
- A great aunt, (age 44), raising her 15 year old niece
- A grandfather (age 55) and a step grand mother (age 50), raising their six year old grandson.
- A grandmother (age 85) & grandfather (age 87) raising their thirteen year old grandson

Help us reach beyond the **170 children** we sponsored last year.
