City: _____ State: _____ Zip Code: _____

Phone (daytime): _____

Email Address: _____

Website: _____

Project Dates: _____

Describe the activity/project and explain how it reduces air pollution beyond the minimum required by regulations. Include data, calculations, and other information to quantify environmental benefits from the activity/project. (Use additional sheets if needed.):

To fully evaluate applications, the Environmental Assistance and Protection Board requires all applicants attend the board meeting to discuss the activity/project. (Applicants will be notified approximately one month prior to the meeting date). If you are planning to give a presentation about your activity/project, please list any audio/visual equipment you would like to use.
