

MATT KNOTH/FICKR

Coyote Management Workshop

Thursday, August 3rd, 6 - 9 pm

Forsyth County Agriculture Center
1450 Fairchild Rd, Winston Salem, NC

The NC Wildlife Resources Commission, along with Forsyth County Cooperative Extension and USDA Wildlife Services, is holding a coyote conflict management workshop for landowners and producers.

Presenters will cover:

- ❖ Coyote biology and behavior
- ❖ Practical, non-lethal methods to prevent/reduce coyote conflicts
 - ❖ Laws and regulations on taking of coyotes
- ❖ Basic trapping techniques to address problem coyotes

The event is free, but pre-registration is required

Register by email: coop-ext-registration@forysth.cc

Or by PHONE: 336-703-2850
